AND BEYOND**

## ABOUT OUR COMPANY

We are a native-Californian, family-owned business based in Campbell, California. Having been business owners in the greater Bay Area for over a decade, we realize that customer satisfaction is critical to operating a successful appliance installation business. We take pride in that we often receive compliments on the excellence and friendliness of our installers. We look forward to applying our three decades of combined industry-related experience to your next project!

### PROFESSIONAL TEAM

Our management and installation team is dedicated to excellent customer service. Our installers are selected for expertise and thoroughly vetted. We ensure that all applicable licenses, permits, and insurances are in place at all times.

### ADVANCED TECHNOLOGY

By incorporating the latest routing and tracking technologies with time-proven systems, we have the ability to meet the needs of homeowners and retailers alike.

### LAST MILE LOGISTICS

With dedication to customer satisfaction, and prompt, quality work, we bridge the gap from supplier to consumer. We are prepared for any situation regarding the delivery, installation, and responsible disposal of existing appliances.

### SERVICE AREAS

We serve Santa Clara County and San Mateo County, as well as select areas in Santa Cruz and Alameda County. Please inquire for more information.
